students for sustainable
economics and management

Sustainable U!niversity

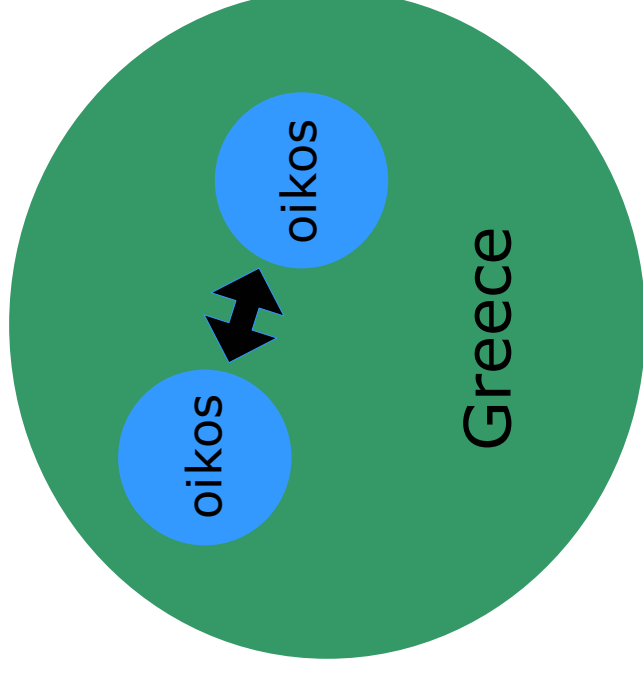

Sustainability Reporting
for Universities

The Idea

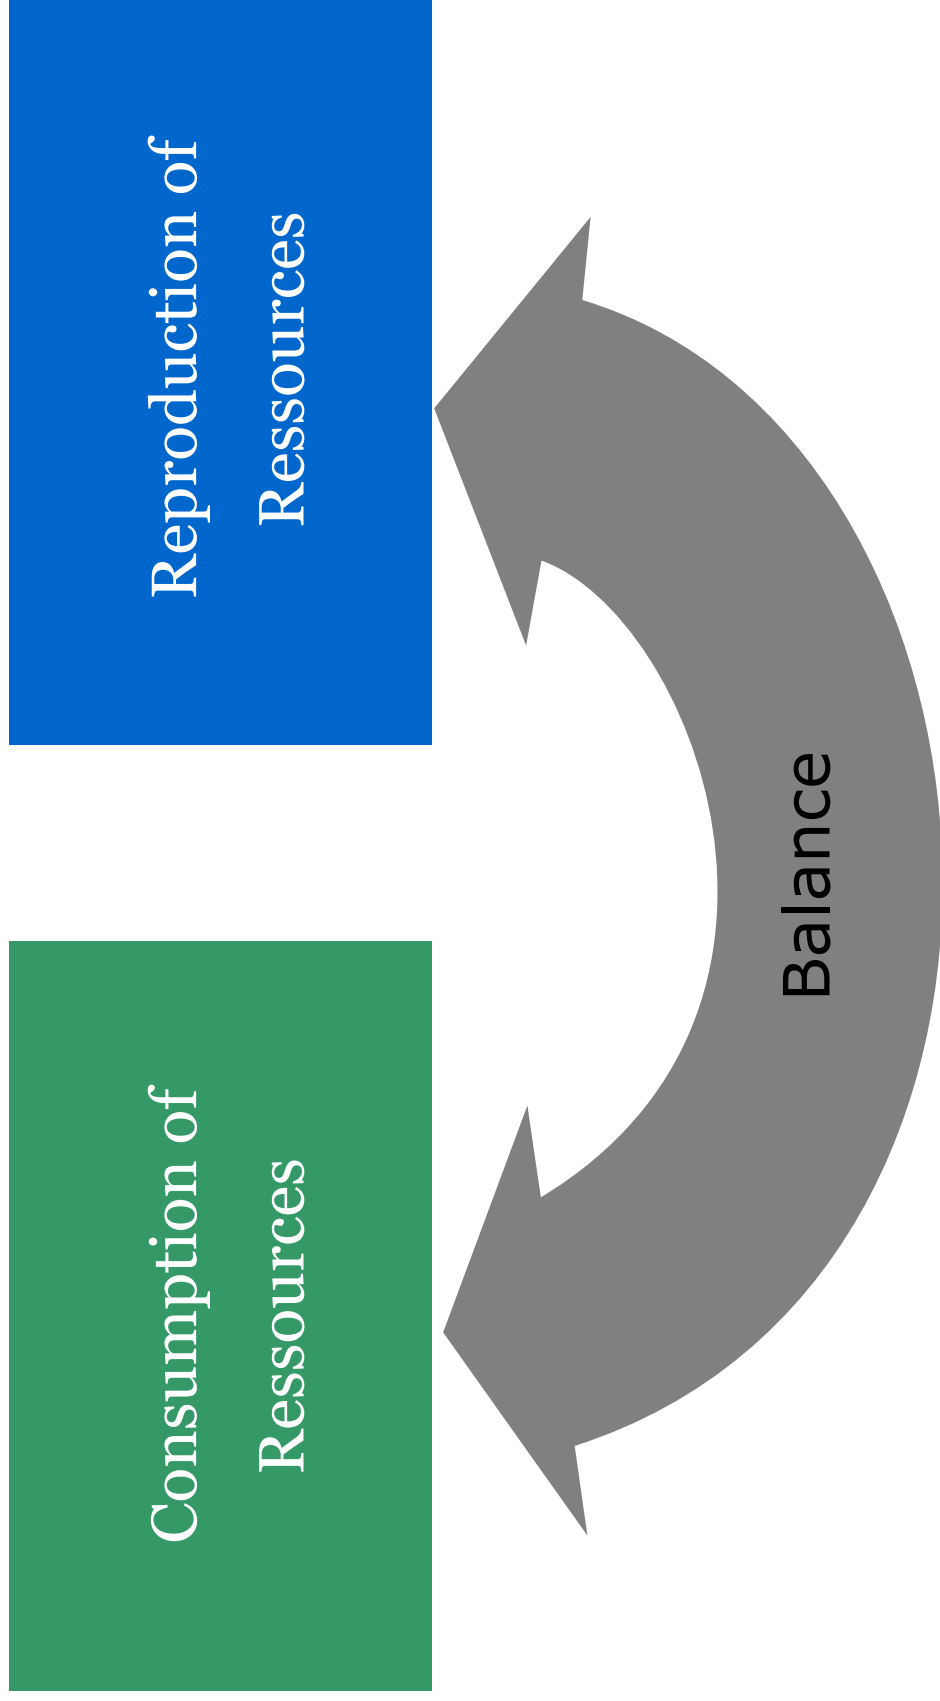

- Creating a framework for a Sustainability Report for Universities
- „Spreading the word“
- Enabling and encouraging students to report about their University in terms of sustainability
- Evaluating the reports

The Framework

- What is sustainability?

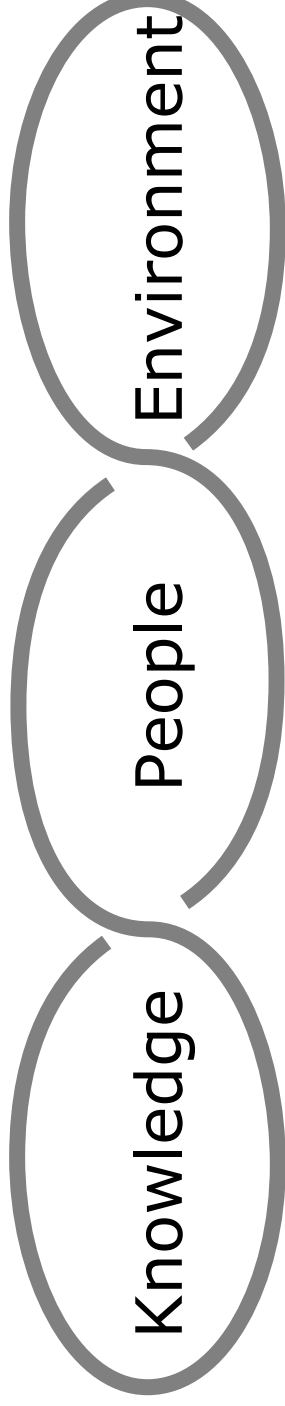

The Framework (2)

The Framework (3)

The Resources

“Spreading the Word!”

- Get in touch with universities near by
- Presentation of the latest sustainability report of the University of Bremen

• Get support for **Sustainable**
U!niversity

Enabling and encouraging students

- Posters will focus the attention
- Followed by a presentation on a sustainability lecture
- Guidance and exchange of ideas via internet

Doing it!
